The Rector and congregation of the parish welcome you and your family to our Church. We hope that you enjoy your Baptism preparation and feel comfortable as part of our worshipping community. As a Church, we are involved in many activities and would like to encourage you to join us and share with us in all the things we do.

“Children who are too young to confess the Christian Faith are baptised on the understanding that they are brought up as Christians within the family of the Church and come to confirmation” (from the Baptism Service).
