Harvest Festival

Sunday, 7th October

Harvest Festival falls on the first Sunday of October which is a Youth Sunday with the Scouts leading our readings and prayers.

On the Sunday morning, harvest gifts may be brought to the church and offered at the start of the service during the first hymn. After the harvest hymns and the harvest celebration at the mass there will be an Auction of Harvest Goods, with our splendid auctioneer, Arthur Johnson in charge.

As you prepare your bids for the lovely produce, you will smell the desirable odours of breakfast as Jill Marsh and a team of chefs prepare bacon and sausage buns for a Harvest Brunch.

How can you resist it?

Enjoy all these aspects of harvest and remember that the proceeds will be given to charity to help those in need today.
