## EDITORIAL

Welcome to the June issue of Magna.

We hope you enjoy this 28 page edition, a miscellany of articles and information. Best to read this edition with a diary to hand, the cover to the back page is packed with various events that will be of interest to you.

There's more photos in this edition than ever before. Ray Allen's photography skills are blooming. Make sure you log onto our parish website and take a look at Magna Magazine to see the photos in their true light.

Look forward to the July Magna where we will bring you a report of the recent Parish visit to Essen, Germany.
