

New Kitchen, same Delightful Lunches

The queue for lunch looks expectantly at the menu and anticipates with relish the meal soon to be provided by our stalwart team in the newly refurbished kitchen on Wednesday 23rd April, 2008

This Wednesday was a bit of a special day.

Not only was the team excited about the new equipment and refurbishments, they were also somewhat anxious about the possibility that the new equipment might not work, thus providing an embarrassing situation.

But no!

The Team were again fully up to the job and the new kitchen proved its worth as the lunch passed off without a hitch.

It is not clear whether Roy felt better about having his hands in the new sink as opposed to the old one, but let's hope so!

What remains now is to build up the clientele for this important social event in the life of our parish church. We need to alert parents of young children, older people, local workers and any others to the fact that we serve good quality and good value meals in a congenial atmosphere in a beautiful Grade II* listed building.

We have a lot to offer, so let us make the news of our Wednesday Lunches be wider known so that we flourish and grow happily together.
