

Holy Cross Under 5's Group

BETTY MCLAUGHLIN

We are sure that many of the congregation is familiar with Betty's relationship with the Pre School. For those who are not, Auntie Betty, as she was known to the children, was one of the founders of the Pre School. That was in 1961, since then we have gone from strength to strength. When Betty died the collection from her funeral was donated to the Pre School. With the consent of her family we have put this money towards the purchase of our new shed.

We would like to invite any one who remembers Auntie Betty either from church or the pre school to the official dedication of the shed in Auntie Betty's memory. This will take place on Thursday 17th July at 10am during a pre school session. Auntie Betty's daughter Mary has agreed to attend and Neil has agreed to do the dedication. The Staff, committee and children of the Pre School would like you to join us in our celebration of Auntie Betty's life and dedication to our pre school.

RAVEENA SOLAN

Many of you will have had children who attended the Pre School, if you did not go there yourself. To those people this article is addressed.

Raveena has given us her notice and intends to leave our employment at the end of this term.

This is a very sad occasion for us, as Raveena has worked for us for 20 years. I know that the present staff and committee hold her in high regard. We will miss her experience and guidance greatly. I personally have always found her very helpful, not only in my time as a Fund raiser but also in my terms as Chair of the Parents Committee.

The children and staff would like to invite you to our party to celebrate Ravenna's time with us. We will be holding this on Monday 21st July at 10am in the Parish room.

Christine Fuller

Chair, Parents Committee.
