"Ray Allen's new remedy for Neil's dimming halo was working a treat!"  
Audrey Pascal

"Of course I didn't cheat. My halo's still in place isn't it?"  
Nev Carney

Neil is saying "I always thought somehow holding the Holy Grail would light up the face more"  
Peter Fuller

Neil thinks 'and I will treasure this moment even more if Ray can digitally remove the light bulbs from my halo.'

## The Queen's birthday flypast 14<sup>th</sup> June 2008

On Saturday 14<sup>th</sup> June, just after 1 pm, the Greenford skies were filled with Royal Air Force aeroplanes. A total of 55 aircraft, the largest number for many years, minutes earlier had flown over Buckingham Place.
