

A big thanks to all at Holy Cross

I want to thank you all for making my farewell party an event to remember and to thank you all for the wonderful gift of a SatNav and the painting of the Church. Thank you also for the card and all the wonderful sentiments on it. I am sorry if I didn't get round to speaking with all of you at length but as I said that night it is au revoir rather than goodbye.

There have been a great many photos taken that evening which I think Neil will have. I can always copy to disk and send one to you if you wish. I don't have a land line in Lincoln at the moment. I am hoping through the Magna Committee to have a monthly "Lincoln Link" to keep you up to date with events in Lincoln and basically to keep in touch. Visitors will be very welcome in Lincoln. Holy Cross and all of you have made my time spent in Greenford very happy indeed, you will always be in my heart and thoughts. I have lots of good memories.

Lots of love

Ray
