This will be the 8th time during which the congregations of Gerschede and Greenford have spent a week-end together. Since the visits started in 1999, a lot of good and interesting experiences have been shared and friendships have developed which have lasted the years.

Please join in with the various aspects of the visit this year, and whether or not you are a host, please come and be part of the activities, meet the people, talk and go on the various visits we are planning. See the Notice Board for more details in due course.

### Neil's Next Prebendal Sermon

Neil has been appointed to preach at St. Paul's Cathedral on Friday 30th April, 2010, at 5pm.

The day is that of Saint Erkenwald (died 693) who was a Bishop of London between 675 and 693. His remains lie within the Cathedral, but as we would expect, the shrine that once attracted pilgrims was destroyed during the Reformation.

Little is known about him, so I guess it will be a short sermon?

If you wish to come to St. Paul's you will be very welcome, of course!
