EDITORIAL

Welcome to your bumper September edition of Magna.

We look forward to **HOLY CROSSTIDE SEPTEMBER 2010**. Make a note of all the Holy Crosstide services and events (see page 11 and the Parish diary on page 36). Holy Cross Day and Sunday are the main occasions when a church dedicated to the Holy Cross celebrates its Feast of Title.

STEWARDSHIP In September, the Rector, Churchwardens and PCC will invite you to consider your financial contribution for this Church (please see page 3 for further information).

Malcolm Ede remembers Malcolm Smart R.I.P. the Rector of Holy Cross from 1975 until 1982.

Neil, Frances, Gary, May and others share with us their insights into various journeys they have made.

And there's plenty more reading inside these 36 pages. We hope MAGNA will both inform and provoke thought and prayer as church life gets back into full swing after the summer holidays.

The MAGNA Editorial Committee remains dedicated to making the magazine a true reflection of our parish life and to this end, we again extend an invitation for contributions from members of the congregation and all the friends of our parish.

You can do it!
