

The Magna November Caption Competition

"Listen Neil, Sandra is not going to be too pleased with you if you don't attend the meeting, you know what police inspectors are like!!"

"Minder?" You need a nursemaid mate, not a bleedin' Minder!"

" 'Ere, Vicar. Got any lead on your roof?"

"Now look what you've done! That poor old geezer is going home now. You should never have mentioned a retiring collection!"

" 'Ere, want to borrow my razor Vic?"

"If you are the vicar, where's your uniform?"

Memories

A new Magna Series starting November 2010

The idea is for you to make a list of 10 to 20 memories (about 10 to 30 words per memory) and then find from your photo album a few photos of some of these memories

Please e-mail these to dclarke10@sky.com

or hand the memories and photos to Neil or Christeen

Many thanks to Ray Allen for getting the new Magna series off to a good start
