

## An Invitation!

You are invited to represent Holy Cross Church at an event Showcasing four very different 'Fairtrade Churches' led by Veronica Pasteur, Head of Campaigns, Fairtrade Foundation. There will be Lots of time for questions and to meet one another. Bring a packed lunch.

Four churches of different size, location and churchmanship will share their own story of becoming a Fairtrade Church. We invite churches to send delegates so that they may be inspired in moving Fairtrade forward in their church, to share the progress of their church's Fairtrade commitment, to inspire others or to find answers to any sticking points to becoming a Fairtrade Church. We welcome people from all our parishes, wherever they may be on the journey! We will ensure that there is plenty of time to talk with each other and to discuss ideas together.

### From last year's conference...

A truly special day - a great success...It was very stimulating and has made me think ahead !  
It was good to be inspired once again about some of the issues of injustice and poverty and our responsibilities which we need to continue to work together to address and to change.  
It is helpful to be reminded of the power which can be generated by a concerted and co-ordinated desire to bring about change.  
The conference was excellent, especially the speaker from the Fairtrade Foundation.  
A fantastic day with wonderful speakers, songs and liturgy!  
Really well planned, led and structured. Thank you.  
A lot of connections were made during the day, and address details swapped.  
A thought provoking talk; a really inspiring range of speakers and the variety of the programme made for a very engaging day.

If you would like to represent Holy Cross at this event, please speak to Neil as soon as possible.
