

THE PARISH MAGAZINE OF GREENFORD MAGNA

MAGNA

June, 2011

London, 1941

The Luftwaffe attempt to destroy iconic London landmarks like St. Paul's Cathedral and Big Ben.

In Greenford, the people are determinedly building a New Church which will express their courage, optimism and faith. Next month we will celebrate the 70 years of Holy Cross New Church in a Festival from 3rd July to 10th July. Enjoy what is on offer and join in the various events in solidarity with our predecessors in faith.
